It is the intent of the Agency and the Company that this Agreement be superseded in its entirety by the Agency Lease.

4.02. (a) It is understood and agreed by the Agency and the Company that the grant of Financial Assistance and the execution of the Agency Lease and related documents are subject to (i) payment by the Company of the Agency's fee and Agency's counsel fees; (ii) obtaining all necessary governmental approvals, permits and consents of any kind required in connection with the Project Facility; (iii) approval by the members of the Agency; (iv) approval by the Company; and (v) the condition that there are no changes in New York State Law, including regulations, which prohibit or limit the Agency from fulfilling its obligations hereunder; (b) The Company, by executing this agreement, acknowledges and agrees to make, or cause its agents and/or operators to make, all records and information regarding State and local sales and use tax exemption benefits given to the Project as part of the Financial Assistance available to the Agency upon request; (c) The Company, by executing this Agreement, acknowledges and agrees to the terms and conditions of Section 875(3) of the Act as if such section were fully set forth herein and further agrees to cause all of its agents to acknowledge, agree and consent to same. Company to promptly pay such Recapture Amount to the Agency will be grounds for the Commissioner to collect sales and use taxes from the Company under Article 28 of the State Tax Law, together with interest and penalties. In addition to the foregoing, the Company acknowledges and agrees that for purposes of exemption from New York State (the “*State*”) sales and use taxation as part of the Financial Assistance requested, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the New York State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

4.03. The Company agrees that it will reimburse the Agency for all reasonable and necessary expenses, including without limitation the fees and expenses of counsel to the Agency and special counsel to the Agency arising from, out of or in connection with the Project, and/or any documents executed in connection therewith, including but not limited to any claims or actions taken by the Agency against the Company or third parties and indemnify the Agency from all losses, claims, damages and liabilities, in each case which the Agency may incur as a consequence of executing this Agreement or performing its obligations hereunder.

4.04. If for any reason the Agency Lease is not executed and delivered by the Company and the Agency on or before eighteen (18) months from the execution hereof, the provisions of this Agreement (other than the provisions of Articles 3.01, 3.02, 3.03, 3.05, 4.02, 4.03 and 4.05, which shall survive) shall unless extended by agreement of the Agency and the Company, terminate and be of no further force or effect, and following such termination neither party shall have any rights against the other party except:

(a) The Company shall pay the Agency for all expenses incurred by the Agency in connection with the acquisition, construction and equipping of the Project Facility;

(b) The Company shall assume and be responsible for any contracts for construction or purchase of equipment entered into by the Agency at the request of or as agent for the Company in connection with the Project Facility; and

(c) The Company will pay the out-of-pocket expenses of members of the Agency, counsel for the Agency and special Agency counsel incurred in connection with the Project and will pay the fees of counsel for the Agency and special Agency counsel for legal services relating to the Project or the proposed financing thereof.

4.05. The Company acknowledges that Section 875(7) of the New York General Municipal Law (“GML”) requires the Agency to post on its website all resolutions and agreements relating to the Company’s appointment as an agent of the Agency or otherwise related to the Project, including this Agreement; and Article 6 of the New York Public Officers Law declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Company feels that there are elements of the Project or information about the Company in the Agency’s possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Company’s competitive position, the Company must identify

such elements in writing, supply same to the Agency: (i) with respect to this Agreement, prior to or contemporaneously with the execution hereof; and (ii) with respect to all other agreements executed in connection with the Project, on or before the Closing Date, and request that such elements be kept confidential in accordance with Article 6 of the Public Officers Law. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the GML.

In Witness Whereof, the parties hereto have entered in this Agreement as of _____, 2013.
