- D. The commitment of the Agency to provide the Financial Assistance to the Companies will enable the Companies to acquire, renovate and/or improve, install, equip and complete the Project Facility.

The Agency is authorized to provide Financial Assistance in respect of the Project pursuant to Section 862(2)(b)(ii) of the Act; provided however, that no Financial Assistance shall be provided to the Project by the Agency until the applicable provisions of Section 862(2)(c) of the Act have been complied with.

Section 3. Subject to the due execution and delivery by the Companies of the Agreement (as defined herein) and the Interim Documents, the satisfaction of the conditions of this Resolution, the Agreement and the Interim Documents, the Companies are appointed the true and lawful agents of the Agency to proceed with the reconstruction, renovation, installation, equipping and completion of the Project, all with the same powers and the same validity as if the Agency were acting in its own behalf. Notwithstanding anything in the Agreement to the contrary, provided the Companies execute and deliver the Interim Documents; and satisfy the balance of the conditions set forth in this Resolution, the Interim Documents and the Agreement, the Companies need not execute the Lease Documents (as defined below) prior to the effectiveness of the Companies appointment as the Agency’s agents.

Section 4. Subject to the terms of this Resolution, the conditions set forth in Section 4.02 of the Agreement (as defined herein), the Agency’s approval of the PILOT schedule and the execution and delivery of the Project Agreement (as defined herein), the Agency will: (i) acquire or continue a controlling interest in the Land and Facility pursuant to a lease agreement (and/or sublease agreement (collectively, the “***Company Lease***”) to be entered into between the Real Estate Holding Company and the Agency and accept an interest in the Equipment, if any, pursuant to a bill of sale from each of the Companies (collectively, the “***Bill of Sale***”); (ii) sublease the Company Facility to the Real Estate Holding Company pursuant to a sublease agreement (the “***Agency Lease Agreement***”); sublease the Equipment to the Brewery Operating Company pursuant to an equipment lease (the “***Equipment Lease***”) and together with the Company Lease, the Bill of Sale, the Agency Lease, the Project Agreement (as defined herein) and any other certificates and documents deemed necessary by the Agency to undertake the Project, collectively, the “***Lease Documents***”) to be entered into among the Agency and the Companies; (iii) secure the Companies’ borrowings with respect to the Project Facility by joining in one or more construction or permanent mortgages on the Project Facility in favor of the Companies’ lender(s), in such form and substance as shall be consistent with this Resolution and approved by the Chief Executive Officer and/or the (Vice) Chairperson of the Board upon the advice of counsel to the Agency and pledging and assigning to such lender(s), if any, certain rights and remedies of the Agency under any lease agreement by the execution and delivery of a pledge and assignment which shall be consistent with

Section 5. The terms and conditions of subdivision 3 of Section 875 of the Act are herein incorporated by reference and the Companies shall agree to such terms as a condition precedent to receiving or benefiting from an exemption from State sales and use tax exemptions benefits. Notwithstanding anything herein to the contrary, the amount of State and local sales and use tax exemption benefit comprising the Financial Assistance approved herein shall not exceed **\$493,600 and shall last no longer than two years from the execution and delivery of the Agency Documents.** The Agency may consider any requests by the Companies for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

The approximate amount of estimated real property tax exemptions and the approximate amount of estimated payments in lieu of taxes are estimated based on an assumed assessed value of the Project Facility and assumed future tax rates of the affected tax jurisdictions, therefore the real property tax abatement benefit is estimated because it is calculated using the estimated real property tax exemptions. The actual amount of real property tax abatement benefit is subject to change over the term of the PILOT Agreement depending on any changes to assessed value and/or tax rates of the affected tax jurisdictions. **Exhibit “B”** attached hereto reflects the calculation used to determine the annual amount of the payments in lieu of taxes to be made to the affected tax jurisdictions in each year during the term of the PILOT Agreement.

The Agency shall, within thirty (30) days of providing any State sales and use tax exemption benefits, report to the Commissioner the amount of such benefits for the Project, identifying the Project, along with any such other information and specificity as the Commissioner may prescribe. As a condition precedent to the Companies or Project’s receipt of, or benefit from, any State or local sales and use tax exemptions, the Companies must acknowledge and agree to make, or cause its Additional Agents to make, all records and information regarding State and local sales and use tax exemption benefits realized by the Project available to the Agency or its designee upon request. For purposes of exemption from State sales and use taxation as part of the Financial Assistance requested, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

Section 9. As a condition precedent to the granting of the Financial Assistance, the Companies agree to execute an agreement with the Agency setting forth the preliminary undertakings of the Agency and the Companies with respect to the Project. The form and substance of the proposed agreement (as set forth as on **Exhibit “A”** attached hereto and presented at this meeting) (the “***Agreement***”) are hereby approved. The Chief Executive Officer and/or the (Vice) Chairperson of the Agency are each hereby authorized, on behalf of the Agency, to execute and deliver the Agreement, in substantially the same form as presented at this meeting and attached hereto as **Exhibit “A”**, with changes in terms and form as shall be consistent with this Resolution and as the Chief Executive Officer or the (Vice) Chairperson shall approve. Such Companies or Additional Agent shall cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such State sales and

use tax exemptions benefits and shall promptly pay over any such amounts to the Agency that it requests. The failure to pay over such amounts to the Agency shall be grounds for the Commissioner to assess and determine State sales and use taxes due from the Companies and/or Additional Agents under article twenty-eight of the tax law, together with any relevant penalties and interest due on such amounts. In addition, the Agency may recapture all other Financial Assistance in the event any of the foregoing occur or there is a Deficit (as defined in the Agency's Recapture Policy).

Section 14. The obligation of the Agency to consummate any transaction contemplated herein or hereby is subject to and conditioned upon the execution and delivery of, among other things, an environmental compliance and indemnification agreement (the "***Environmental Compliance and Indemnification Agreement***") in favor of the Agency in form and substance acceptable to the Agency and its counsel by the Companies and some or all of its principals, in the discretion of the Chief Executive Officer and/or (Vice) Chairperson of the Agency.

Section 15. No covenant, stipulation, obligation or agreement contained in this Resolution or any document referred to herein shall be deemed to be the covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity. Neither the members nor officers of the Agency, nor any person executing any documents referred to herein on behalf of the Agency, shall be liable thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

3.04. The Companies will take such further action and adopt such further proceedings as may be required to implement the aforesaid undertakings or as they may deem appropriate in pursuance thereof.

3.05. If it should be determined that any State or local sales or compensatory use taxes are payable with respect to the acquisition, purchase or rental of machinery or equipment, materials or supplies in connection with the Project Facility, or are in any manner otherwise payable directly or indirectly in connection with the Project Facility, the Companies shall pay the same and defend and indemnify the Agency from and against any liability, expenses and penalties arising out of, directly or indirectly, the imposition of any such taxes.

3.06. The Companies may utilize, and are authorized to appoint, Additional Agents as agents of the Agency, in furtherance thereof. Any appointment of an Additional Agent is conditioned upon the Companies first obtaining and providing the Agency the following:

(1) A written, executed agreement, in form and substance acceptable to the Agency, from each appointed Additional Agent which provides for: (i) the assumption by the Additional Agent, for itself, certain of the obligations under this Agreement relative to the appointment, work and purchases done and made by each appointed Additional Agent; (ii) an acknowledgement by the Additional Agent to hire from the Labor Market Area during the construction period of the Project Facility whenever practicable; (iii) an acknowledgement that the Additional Agent is obligated, to timely provide the Companies with the necessary information to permit the Companies, pursuant to General Municipal Law §874(8), to timely file an Annual Statement with the New York State Department of Taxation and Finance on “Annual Report of Sales and Use Tax Exemptions” (Form ST-340) regarding the value of sales and use tax exemptions the Additional Agent claimed pursuant to the agency conferred on it by the Companies with respect to this Project; (iv) an acknowledgment by the Additional Agent that in order to be entitled to the exemption, the Additional Agent shall present to the supplier or other vendor of materials or equipment for the Project Facility a completed “IDA Agent or Project Operator Exempt Purchase Certificate” (Form ST-123); (v) an acknowledgment by the Additional Agent that that the failure to comply with the foregoing will result in the loss and recapture of the exemption; and (vi) such other terms and conditions as the Agency deems necessary; and

(2) A completed “IDA Appointment of Project Operator or Agent for Sales Tax Purposes” (Form ST-60) for each Additional Agent appointed within fifteen (15) days of the appointment of each Additional Agent such that the Agency can execute and deliver said form to the State Department of Taxation and Finance within thirty (30) days of appointment of each such Additional Agent.

Failure of the Companies to comply with the foregoing shall nullify the appointment of any Additional Agent and may result in the loss and recapture of the Companies' exemption with respect to the Project at the sole discretion of the Agency.

The Companies acknowledge that the assumption by the Additional Agent in accordance with Section 3.06(1) above, does not relieve the Companies of their obligations under those provisions or any other provisions of this Agreement with respect to the Project.

3.07. The Companies hereby ratify and confirm their obligations to pay an aggregate administrative fee to the Agency in the amount of .75% of the Project costs. Such amount is due and payable in full at closing.

Article 4. General Provisions.

4.01. This Agreement shall take effect on the date of the execution hereof by the Agency and the Companies and, subject to Section 4.04 hereof, shall remain in effect until the Lease Documents become effective. In accordance with the Agency's Recapture Policy, the Agency may recapture all other Financial Assistance in the event of any of the foregoing occur or there is a Job Deficit, an Investment Deficit or a Reporting Failure (each as defined in the Agency's Recapture Policy). In addition to the foregoing, the Companies acknowledge and agree that for purposes of exemption from State sales and use taxation as part of the Financial Assistance requested, "sales and use taxation" shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

4.03. The Companies agree that they will, within thirty (30) days of a written request for same, regardless of whether or not this matter closes or the Project Facility is completed: (i) reimburse the Agency for all reasonable and necessary expenses, including without limitation the fees and expenses of counsel to the Agency arising from, out of or in connection with the Project, and/or any documents executed in connection therewith, including, but not limited to any claims or actions taken by the Agency against the Companies, Additional Agents or third parties; and (ii) indemnify the Agency from all losses, claims, damages and liabilities, in each case which the Agency may incur as a consequence of executing this Agreement or performing its obligations hereunder, including but not limited to, any obligations related to Additional Agents.

4.04. If for any reason the Lease Documents are not executed and delivered by the Companies and the Agency on or before eighteen (18) months from the execution hereof, the provisions of this Agreement (other than the provisions of Articles 1.04, 2.02, 2.04, 3.01, 3.02, 3.03, 3.05, 3.06, 4.02, 4.03, 4.04, 4.05 and 4.06, which shall survive) shall unless extended by agreement of the Agency and the Companies, terminate and be of no further force or effect, and following such termination neither party shall have any rights against the other party except:

(a) The Companies shall pay the Agency for all expenses incurred by the Agency in connection with the acquisition, reconstruction, renovation and/or improving, installation, equipping and completion of the Project Facility;

(b) The Companies shall assume and be responsible for any contracts for reconstruction, renovation or purchase of equipment entered into by the Agency at the request of or as agent for the Companies in connection with the Project Facility; and

4.05. The Companies acknowledge that Section 875(7) of the State General Municipal Law (“GML”) requires the Agency to post on its website all resolutions and agreements relating to the Companies’ appointment as an agents of the Agency or otherwise related to the Project, including this Agreement; and Article 6 of the State Public Officers Law declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Companies feel that there are elements of the Project or information about the Companies in the Agency’s possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Companies’ competitive position, the Companies must identify such elements in writing, supply same to the Agency: (i) with respect to this Agreement, prior to or contemporaneously with the execution hereof; and (ii) with respect to all other agreements executed in connection with the Project, on or before the Closing Date, and request that such elements be kept confidential in accordance with Article 6 of the Public Officers Law. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the GML.

4.06 That every controversy, dispute or claim arising out of or relating to this Agreement shall be governed by the laws of the State, without regard to its conflict-of-laws provisions that if applied might require the application of the laws of another jurisdiction; and that the Companies irrevocably and expressly submits to the exclusive personal jurisdiction of the Supreme Court of the State and the United States District Court for the Northern District of the State, to the exclusion of all other courts, for the purposes of litigating every controversy, dispute or claim arising out of or relating to this Agreement.
